Rule Part	15.231

Overview

IrriGreen is seeking FCC original certification approval for its 500101 Genius Server according to rules 15.231 and 15.207. Our Genius Server is the central control for an irrigation system that allows an in-ground electronic sprinkler, Genius Head 400101 to be controlled by a wireless programmer.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
